## FUTURING BIOMATERIALS

## 31<sup>st</sup> CONFERENCE OF THE EUROPEAN SOCIETY FOR BIOMATERIALS

TOGETHER WITH THE 43<sup>rd</sup> ANNUAL CONGRESS OF THE IBERIAN SOCIETY OF BIOMECHANICS AND BIOMATERIALS (SIBB)

### Browser:

- Gather is best supported in **Chrome** and **Firefox**, so please use one of those browsers  
→ Please do not use **Safari**

### Your Avatar:

- Please type in your name (**please use your correct and full name**) and choose any avatar and clothing you want
- Please grant Gather access to enable your video and microphone

### How to move around:

- By using either the **arrow keys** or the letters **W A S D** you can **move your Avatar**
- Ghost Mode:** If you are 'blocked in' by other people you can **pass through** them by holding down the "**G**" key

### How to View and Navigate the Video Call

- The whole room for this Interactive Talk is one private space → That means you will automatically be **connected to everyone inside of this room in a video call**
- All videos will initially appear at the top of your screen → You can **scroll between the videos manually** by clicking the **arrows to the left and right of the videos shown**
- To **increase the number of videos visible** to you or to **enlarge the videos** you are currently seeing, you can enter **Grid View** by clicking the expanding arrows icon in the upper right
- Whenever **someone speaks**, their video will be **brought to the front** of your carousel
- To **focus on one person's video or shared screen**, **click on that person's stream**
- If the Chat or the Participants panel is expanded, collapse it for the largest view

### Your user menu / Interactions:

- Click on the emoji or press the keys 1-6 **to emote!**
- You can **send and view messages** in the Chat Panel on the left. You can send a message to: **Everyone** (every user in the space), **Nearby** (every user that you are currently video chatting with) and **Individuals** (The remaining options will display the names of other users in the room)

### Interactive Talk

- After entering the room, please **place yourself on a chair**
- If possible, please make sure that the **two seats next to each other** (1 red and 1 yellow chair) are **always both occupied**
- To ensure a distraction-free presentation, please **mute yourself** and do not **switch your microphone on** again until you are **asked to do so**
- During the Interactive Talk the speaker Ms. Bennett-Powell will ask you to **address the person sitting next to you and ask them questions** → To do so please **start a bubble** with this person
- A bubble is a temporary conversation between you and another person → **People outside your bubble will still be able to hear you**, albeit very softly and with transparent video
- As the **person on the red chair** please **right click** or **double click** on the **avatar of the person sitting on the yellow chair next to you** → This will open a context menu → then click **Start Bubble**
- You can **control the volume of people outside your bubble** in the bottom of your screen next to your user menu
- To leave the bubble when you are asked to do so, please click on "Leave Bubble" above your user menu
